Camp Details

Located in Azerbaijan with great access to the "Majestic" Shahdag ski area, our ski camps are perfect way to inject some fun and excitement into your trip. Our staff are ready and waiting to help you plan and prepare the perfect trip plus we'll be in resort with you to ensure you and your group enjoy the best experience possible.

From total beginners, some that have never seen snow, to young athletes training as part of their school ski or snowboard team. Caspian Khazri's winter camp offers a lively and enthusiastic approach to skiing and snowboard camps in Shahdag

We aim to facilitate an environment for students to develop their skills while enjoying their time on the mountain, making new friends from and sharing valuable experiences with their peers. Our international winter camps are designed to get the students on the snow and keep them there.

CAMP DETAILS

Our winter camp starts in Baku Azerbaijan with exploring the magnificent city of Azerbaijan, with excursions to historical places and also to modern architectural master pieces.

Typically in Shahdag Ski resort a day at our international winter camp is spent on the mountain and consists of learning new skills in the morning and having an opportunity to practice those skills on different slopes throughout the afternoon, with a hot chocolate break for when the group is feeling tired.

Throughout our winter camp courses, we follow a clear structure for progression so students are aware of their current levels of performance and their areas for improvement.

At the end of each winter camp trip, we like to celebrate the achievements of each of our students with a prize-giving evening. It is a chance for them to have a final group photo with their guide, receive their certificates and to hear the much-anticipated ski and snowboard race results from the week.

SKI LESSONS

Shahdag Ski Schools team of fully qualified ski and snowboard guides takes care of students in groups of 5-10, with full-day guiding, lunch on the mountain and breaks throughout the day. Available and bought as an extra Snow Mobile, 4X4 and Mountain roller coaster are also options for those who want to try a different winter sport.

ACCOMODATION

We know how important it is to have vital rest after a hectic day at the camp, for this reason we always choose the best accomodation available for our camp participants, in Baku they will stay in a 4* hotel in the heart of the Azerbaijani capital While at the mountain they will be staying in a 5* hotel right on the ski piste, Each rooms are shared between 2 people and the occupants must be of the same sex.

EXCURSIONS

Each of our cultural excursion days is a little different during this unique international winter camp, with new options each year for those returning campers who are ready to experience a real international experience!
